

MuddHacks

Sponsor Information

Thanks for your interest in sponsoring MuddHacks, the first ever hardware hackathon in the Claremont Colleges. We're offering a two tiered sponsorship program this year. Below, you'll find the perks of each level.

Silver (\$500)

As a Silver Sponsor, you'll get:

- **Access to participant resumes**

Prior to the event, we'll be collecting resumes from all participants. As a Silver Sponsor, you'll have access to these resumes after the event. MuddHacks will be attracting the most passionate hardware and software engineers at Harvey Mudd, so as a Silver Sponsor, you'll be able to recruit some of Mudd's top talent.

- **Rights to distribute promotional material**

We're giving Silver Sponsors the rights to send us promotional material, brochures, and other corporate "swag." We'll distribute these at the event. This offers you a great way to enhance your company's image here at Harvey Mudd.

- **Logo on our website**

Silver Sponsors will get their logo featured on our website.

Gold (\$1000)

As a Gold Sponsor, you'll get all the perks of a Silver Sponsor, as well as:

- **Logo on our banner**

We are going to have a large banner for MuddHacks welcoming people to the event. We're featuring the logos of our Gold Sponsors along side the MuddHacks logo on this banner.

- **Logo on our t-shirt**

All participants of MuddHacks will receive a t-shirt at the event. The shirt will have the MuddHacks logo on the front, and our Gold Sponsors' logos on the back. These shirts will be worn on campus for years after this event, so this is a great way to enhance your company's image on campus.

- **Logo on our mug**

MuddHacks participants will also get ceramic mugs at the event. We're featuring our Gold Sponsors on the mug alongside the MuddHacks logo. Like the t-shirt, this is another opportunity to enhance your company's image on Mudd's campus.

- **Larger logo on our website**

Gold Sponsors will be more prominently featured on our website.

- **Rights to send a mentor to MuddHacks**

We're offering our Gold Sponsors the opportunity to send a mentor to the event. This is a wonderful way to interact with the participants and add a personal touch to your sponsorship.

Once again, we'd like to thank you for your interest. We really appreciate your support!
